

Application: Occupied Unit Repairs

Vermont Housing Improvement Program 2.0 (VHIP 2.0)

The State of Vermont launched the Vermont Housing Improvement Program 2.0 (VHIP 2.0) in March 2024. VHIP 2.0 is a competitive award process that provides forgivable loans up to \$50,000 to property owners who agree to create safe, affordable rental units. The flexible program offers several options to both create and rehabilitate units. Owners must match at least 20% of awarded funds and maintain the unit(s) as long-term affordable rentals. Code compliance applications must consider the temporary rehousing of any current tenants during the repair phase.

Program Overview

- VHIP 2.0 offers 10-year forgivable loans at 0% interest of up to \$50,000 per unit for repairs needed to bring rental units up to Vermont Rental Housing Health Code guidelines.
- **VHIP 2.0 funds are disbursed on a reimbursement basis at certain points during the project, so you will need to have the capital upfront to cover project expenses until you receive reimbursement.**
- The Property Owner must be current on their property taxes and mortgage payments to be eligible for the program.
- Property Owner is required to contribute at least a 20% match of the loan funds prior to first loan disbursement. An “in-kind” match or deferred match timeline may be approved at the discretion of the agency overseeing the project. Funds spent to relocate a tenant or store their personal property count towards the match requirement.
- The Property Owner must sign a Forgivable Loan Agreement outlining that all units assisted must be rented at or below HUD Fair Market Rents (FMR) for the appropriate county (published annually) or at a rate allowed by a recognized housing assistance voucher. Units must be rented at these affordable rates for at least 10 years for the loan to be fully forgiven.
- Forgivable loan funds may be considered taxable income. The owner must rent the unit for 10 years at or below FMR to be forgiven in its entirety. Funds will need to be repaid to the State of Vermont for every year this requirement is not met. I.e., if an owner only leases the unit for 7 years at or below FMR, 30% of funding would need to be repaid.

For Tenant Occupied Units

- Existing tenant(s) must not be permanently displaced by this project. Owners are required to provide accommodations for the temporary relocation tenant(s) and their personal property if needed. It is also expected that temporary relocation will be for the shortest amount of time possible.
- The completed units must comply with the Vermont Rental Housing Health Code and local ordinances, and all applicable National Fire Protection Association (NFPA) Fire & Safety Standard and applicable Certificate of Occupancy requirements.
- Property Owner will provide information on tenants and rents to show they are complying with program requirements. This will include providing contact information and lease copies annually, and the VHIP Owner Compliance Certification to the Department of Housing & Community Development (DHCD).
- Project scope may be reviewed and altered if the property is on or eligible for the State or National Historic Register.
- **Applicants MUST be able to complete the project within 18 months of signing the Forgivable Loan Agreement.**
- **Fire and safety inspections are required for approval and all fire, housing, and health code violations identified in occupied units and common areas must be corrected by law and owners are subject to fines and penalties if they are not. It is always the Divisions of Fire Safety’s goal to work with tenants and landlords to gain compliance through the education process. Applicants are encouraged to discuss their project with their local HOC before scheduling an inspection.**

Tenant Selection Parameters

- Property Owner must accept paper applications in areas with limited internet access
- Cannot charge upfront more than first month's rent and a security deposit
- Must accept credit scores of 500 and above
- Property Owner must cover the expense of any credit or background checks

Fair Housing & Landlord-Tenant Mediation

Federal and State Fair Housing Laws prohibit discrimination in all aspects of housing, including home sales, rentals, housing policies, and financing. Discrimination is treating a person, or a particular group of people unfairly or differently than how other people are treated because they are a member of a protected class (race, family status, etc.).
