

# Steps After Your Audit

---

- Review your energy audit report
- Decide work scope, discuss with HEAT Squad Auditor
- HEAT Squad Auditor will contact Contractor(s) for estimate(s)

- Contractor(s) schedules site visit
- Meet with Contractor(s)

- Review estimates provided by HEAT Squad Auditor
- Decide final work scope
- Discuss financing options; NeighborWorks of Western VT Energy Loan and the Home Energy Loan
- Sign Project Coordination Agreement and provide fee payment to HEAT Squad *if applicable*, payable by check or credit card
- HEAT Squad Auditor submit project information to Efficiency VT for pre-approval

- Coordinate project timeline with Contractor(s) and inform HEAT Squad Auditor
- Work starts

- Work complete, contact HEAT Squad Auditor to schedule final testing
- Provide final fee payment to HEAT Squad *if applicable*, payable by check or credit card
- HEAT Squad Auditor submit final project to Efficiency VT
- Complete Efficiency VT rebate and income verification
- Receive rebate check from Efficiency VT, 3-6 weeks

---

Note: If work is performed without HEAT Squad acting as a Project Coordinator (without a signed agreement) or DIY, there will be a \$150-\$600\* final testing fee depending on income. It is the homeowners responsibility that all work is done to Efficiency Vermont Home Performance with ENERGY STAR standards in order to be eligible for applicable rebates.
