WHO IS CORNERSTONE HOUSING PARTNERS?

We are so glad you asked! In 2024 Housing Trust of Rutland County, NeighborWorks of Western Vermont and Shires Housing joined forces, creating a powerful entity dedicated to expanding and maintaining affordable rental and homeownership services.

WHY SHOULD YOU SUPPORT CORNERSTONE HOUSING PARTNERS?

Cornerstone Housing Partners offers an enhanced range of services and support to families and individuals across the communities we serve. Recognizing the ongoing shortage of affordable housing opportunities, we are focused on the development, rehabilitation, and management of affordable rental housing, as well as providing opportunities to make homeownership affordable with services including energy efficiency, shared equity ownership, downpayment assistance, homebuyer education, foreclosure counseling, home and rental repair and lending services. Cornerstone Housing Partners is a NeighborWorks America Chartered member; this national affiliation ensures that Cornerstone Housing Partners adheres to the highest standards of excellence in community development and homeownership services.

In the past year Cornerstone Housing Partners constructed two new mixed income affordable housing developments, creating 54 new apartments. In 2026 Cornerstone Housing Partners' real estate development department is rehabilitating and creating over 150 units in Arlington, Bennington, Brandon, Castleton and Rutland that will be online in 2026 and 2027. We have also started phase 1 of the rehabilitation of the former Loretto Home in Rutland, creating much needed shelter (in partnership with BROCC-Community Action) for 16 families exiting homelessness. These new units will add to our current portfolio of nearly 1,000 affordable rental units and 74 shared equity homes.

Your sponsorship commitment today provides your company the opportunity to be a part of the very special mission of Cornerstone Housing Partners. Your sponsorship ensures that we can continue to "Raise The Roof" on new opportunities for development and support services that benefit the most disadvantaged in the community.

Your support is critical to our mission. Sign up today to sponsor this fun event and support the work of Cornerstone Housing Partners!
